

What do you have in your wallet or purse?

Step 1. Let's find out what you carry in your wallet or purse.

Take out your wallet or purse. Examine the contents, *one item at a time*, as you fill out this form. Answer each question, then record the points associated with your answers. Total your score at the end of the form.

	Item	Score
1	Your Social Security Number (SSN) card? 5 points	
2	SSN used as ID on Health Insurance or other card? 5 points for each occurrence	
3	Notes containing PINs (Personal Identification Numbers)? 5 points for each occurrence	
4	ATM cards? 2 points for each card	
5	Credit/Debit/Phone cards? 2 points for each card	
6	Bank deposit, ATM card or credit card receipts? 2 points for each document	
7	Blank checks? 5 points for each check	
8	Driver's License or State ID card? 5 points	
9	Investment Account numbers? 5 points for each occurrence	
10	Emergency Notification card with Spouse's name, home phone number, address? 3 points	

To determine your risk, add the total points of all 10 questions.
